

# ATE Brake Calipers

Top-notch. And always available.

Put your trust in ATE Brake Calipers' innovative materials, leading technology and extensive testing. ATE brake calipers are delivered ready for installation.

Independent workshops can now benefit from our OE expertise when repairing electronically controlled parking brake systems. If the caliper in an electronic parking brake is faulty, it is usually necessary to replace the motor along with it.

## Benefits & Features

- | Aftermarket parts in OE quality
- | Caliper unit is delivered preassembled
- | Easy installation to save time and ensure perfect match
- | Match a wide range of makes and models
- | Available in matt black, tornado red and ultra marine blue

Here a new brake caliper unit is the simplest solution because our new brake caliper unit is delivered preassembled.

We make sure that everything goes right – and also during installation, thanks to our repair kits, various tools and accessories. Everything is exactly matched to the ATE brake calipers.
